## ABOUT ME

I am a motivated Computer Science student at Nazarbayev University with strong analytical and problem-solving skills. I am passionate about software development and building efficient solutions using solid programming and data structures fundamentals. I bring enthusiasm for teamwork, adaptability, and a strong commitment to continuous learning and professional growth.

## EXPERIENCE

**General English and IELTS instructor** 2021-2025

Private Language Centers, Uzbekistan  
2022 – 2025

- Combined teaching with hands-on IT support, maintaining digital tools, assisting staff with technical issues, and contributing to operational efficiency.
- Taught General English and IELTS preparation courses to groups and individuals.
- Developed customized lesson plans and exam strategies, improving student results.
- Earned ~12.5 million UZS/month, demonstrating strong demand and teaching effectiveness.
- Helped students build confidence in communication, academic writing, and test-taking.
